

Provisional Ballots

Provisional Ballots

Provisional voting is a way for a voter to cast a ballot at the polls on Election Day when challenged because of one of the following situations:

1. If the voter is **unable or declines to present photo ID** that meets the “proof of identification” requirements.
2. If the voter’s **name does not appear on the poll list** (the voter is not registered to vote in the precinct) unless the voter qualifies to vote using one of the “Fail-Safes” explained in the *Indiana Voter’s Bill of Rights*.
3. The voter’s name appears on the poll list, but the **voter does not currently reside in the precinct** unless the voter qualifies to vote using one of the “Fail-Safes” explained in the *Indiana Voter’s Bill of Rights*.
4. The poll list indicates that the voter is also required to **present additional documentation to verify their residency** as a first time voter, but the voter is not able to do so.
5. The voter is **not a U.S. citizen**.
6. The voter will **not be 18 years of age** or older at the general or municipal election. **NOTE:** *Otherwise qualified 17 year olds may vote in a special ballot in a primary election, that will not include a political party office (such as precinct committeeman or state convention delegate) or on a public question voted on at the same time as the primary.*
7. A poll clerk doubts the voter’s identity and after comparing signatures, issues a challenge.
8. In a primary, the voter is **not affiliated with the party** whose ballot the voter is requesting.

EXCEPTION: *A voter challenged in a primary due to party affiliation is NOT issued a provisional ballot if the challenged voter is willing to complete and sign the challenged voter’s affidavit (Form PRE-6). The voter is then issued the regular ballot of that party, which is NOT kept separate from the undisputed ballots cast in the precinct.*

If you do cast a provisional ballot for issues with Photo ID, you have until noon 10 days after the election, (until May 15th for the Primary Election on May 5th, and until November 13th for the General Election on November 3rd), to present the needed documentation or a proper form of photo ID or sign an affidavit for an exemption.

The voter’s provisional ballot is kept separate from all other ballots cast at the polls on Election Day. After the polls close, the provisional ballot is forwarded to the county election board, which will conduct a public meeting to decide whether or not the provisional ballot should be counted.

Challenged voters have a right to be present and provide testimony or evidence to refute the challenge.

Photo ID

Photo Identification

A voter must provide government-issued photo ID before casting a Ballot, except when voting absentee-by-mail or traveling board or when a polling place is located at a state-licensed care facility in which the voter resides. The ID must fit the following criteria:

- Your ID must display your photo.
- Your name on the ID must conform with your voter registration record. Conform does NOT mean identical. Below are examples of names that would conform to “Robert John Crew”:
 - Robert John Crew
 - Robert J. Crew
 - Robert Crew
 - R. John Crew
 - Bob John Crew
 - Bob J. Crew
 - Bob Crew
 - John Crew
- Your ID must contain an expiration date and either still be current or have expired sometime *after* the date of the last General or Municipal Election (November 4, 2014).
 - Certain military and veterans IDs with no expiration date or an “indefinite” expiration date are acceptable.
- Your ID must be issued by the State of Indiana or the US government.

In most cases, an Indiana driver license, Indiana photo ID card, Military ID or US passport is sufficient. Interim or paper IDs issued by the BMV are also acceptable.

If you are unable or unwilling to present ID meeting these requirements, you may cast a provisional ballot. If you cast a provisional ballot, you have until noon 10 days after the election to follow up with the county election board and either provide the necessary documentation or affirm one of the law’s exemptions applies to you.

Exemptions do exist for the indigent and those with a religious objection to being photographed.

If you do not already have a valid photo ID, you can obtain an Indiana photo ID card **free of charge** from any Bureau of Motor Vehicles branch that issues driver’s licenses and ID cards.

For more information, please visit www.PhotoID.in.gov or call the BMV at 317-233-6000.

Absentee Voting

Absentee Voting

As a registered voter in Indiana, you are eligible to vote **absentee-in-person** at your county election board office beginning 28 days before Election Day.

In order to vote **absentee-by-mail**, one of the following must apply:

1. You have a specific, reasonable expectation that you will be absent from the county on Election Day during the entire 12 hours that the polls are open (6 am to 6 pm).
2. You have a disability.
3. You are at least 65 years of age.
4. You will have official election duties outside of your precinct.
5. You are scheduled to work at your regular place of employment during the entire 12 hours that the polls are open.
6. You will be confined due to illness or injury or you will be caring for an individual confined due to illness or injury during the entire 12 hours that the polls are open.
7. You are prevented from voting because of a religious discipline or religious holiday during the entire 12 hours that the polls are open.
8. You are a participant in the state’s address confidentiality program.
9. You are a member of the military or a public safety officer.
10. You are eligible to vote at a precinct or former residence under a fail safe procedure in IC 3-10-11 or IC 3-10-12.

When the county election board receives your application for a mail-in absentee ballot, they will process it and if the application is approved, mail you an absentee ballot for the upcoming election.

To vote **absentee-by-traveling board**, you must qualify under bullet points 2 or 6 above. The ballot will be delivered to you by a bi-partisan absentee voter board who will be able to assist you with your ballot.

Accessibility

State law requires that polling locations and voting machines be accessible to elderly voters and voters with disabilities. If you need assistance voting, you may choose someone to help you (other than your employer or union officer) or one poll worker from each major political party will be available to assist you.

If you wish to file a grievance about your polling place’s accessibility, were denied the right to vote, or to report possible fraudulent election activities, please call the Hoosier Voter Hotline at 1-866-IN-1-VOTE (866-461-8683) or the Indiana Election Division at 800-622-4941.
